### ***Tattoo Aftercare Instructions***

1: Leave protective covering on tattoo for a minimum of 3 hours.

2: After removing the protective covering the most important rule of aftercare is **WASHING YOUR HANDS.**

- Your hands have to be washed every time, before cleaning your tattoo.
- After washing your hands with antibacterial soap, wash your tattoo with the same antibacterial soap and warm water. (Dial or Softsoap)

3: After you have washed your hands and your tattoo, pat dry with a clean paper towel, **DO NOT USE A RAG or SHOWER TOWEL.**

4: After your tattoo is dry apply a thin layer of **UNSCENTED LOTION.** Only use unscented lotion.

5: After you have applied lotion rewash your hands so you do not contaminate any of your surroundings.

*Repeat this process (steps 2 through 5) for approximately 3 to 4 times a day for the next 7 to 10 days.*

### ***Off Limits***

- Pools
- Lakes
- Hot tubs
- Tanning Beds
- Excessive Direct Sunlight
- Restrictive Clothing
- Other Peoples Bodily Fluids
- Scented Lotion or Oils

Remember the most important rule is **WASHING YOUR HANDS** before ever touching your tattoo.
